NEWSAR 200 Club is registered with Flintshire County Council

NEWSAR is the mountain rescue team that provides a civilian volunteer search and rescue resource for the Counties of Flintshire, Wrexham, Denbighshire, and some parts of Cheshire, Powys, Conwy, Gwynedd and Shropshire.

The team is largely financed by the local community.

The NEWSAR 200 Club lottery donates around one hundred pounds each month to the operational running costs of NEWSAR and helps provide the resources for team call outs which happen roughly once a week.

The lottery is run by volunteers and has virtually no running costs at all, so all your entry fees help to save lives.

How it works

You pay one pound for one number each month in the lottery draw. The proceeds are split 50:50. Half the money goes to the prize winner, the other half goes to the team as a donation.

You can have as many lottery tickets as you wish, some of our supporters buy as many as ten tickets every month.

Most people make a repeat entry, paying their entry fee by direct debit for the same number of lottery tickets every month, but you can also simply buy a fixed number of tickets by cash or cheque. Some of our supporters buy extra tickets as presents for their family and friends.

Thank you for supporting Mountain Rescue.
